Jeanne handed out the financial reports along with the Monza comparison. Considering we had only 86 cars this year we did very well financially. It is noted that not all expenses have been paid from the Monza as we have not received all invoices yet.

A special election was held to replace our novice director. Dennis Mahan was nominated and elected effective immediately.

Jennifer Oldham shared that she has received several compliments from Minnesota members expressing how great the Monza was. Thank you to everyone who helped out in any way. We are hoping that we will have a good car count going to Minnesota for their Labor Day Monza.

Purchasing the Moscore software and its accessories was discussed. Jennifer Oldham would like everyone to either contact her or email her to let her know how you feel about purchasing Moscore. From what we understand it will cost roughly \$3000.00. Charlie Ellis wants to ask the club members how much money we need to raise vs. take from the concessions account. Jeanne advised we need to keep a minimum balance of \$3000.00 in the accounts to avoid any fees.

We need to know who is planning on participating in the June 27, 2009 "Firecracker Fun Race". This is non-points race. If we do not have enough interest we will have to cancel. Please email Tracy Glann and let her know if you plan on running this race.

We are going to order the Checkered Flags for the patches. If you have not told Tracy which classes you need please do so ASAP. We would like to get these ordered this week.

Sherry Ellis expressed that we need club members to step up on a weekly basis and help. If you don't know how you can help please just ask and we will get you set up.
